Bringing the World of Retail & Leisure to London

Having taken place in London, Dubai, Istanbul, LA and more recently Riyadh over the last 10 years, RLI Connect Global has brought together thousands of retail real estate professionals to connect, explore and develop business opportunities worldwide and moving forward it will be essential to continue to collaborate, exchange ideas, explore opportunities and network with industry colleagues.

In 2023, we will be returning to the event's iconic home in London as the city continues to maintain its position as a global retail landmark. For decades London has led the way in terms of innovation, fashion and retail trends and it remains a focal location for new retailers seeking representation in the UK, as well as a global beacon for retail, leisure and entertainment brands and concepts.

RLI's long-standing association with the city of London allows us to leverage these opportunities to connect, explore and develop relationships and because of this we are delighted to be bringing back

both our renowned RLI Connect Global Deal-Making Forum and our highly-coveted and prestigious Global RLI Awards to the location where both events originated.

As we all come to terms with new shared realities, staying connected has never been more prevalent. Change is a constant when it comes to the global retail industry due to the continuing shifts in consumer lifestyles and spending habits. Shopping malls have changed the behaviour of many consumers in the last few years and have shifted from retail stores to multi-purpose destinations that have become part of people's lifestyle.

There may be many different theories and expectations about the future of malls, but one thing is certain: the shopping mall industry is on the verge of revolution. Successful malls in 2023 are unlikely to be the ones that rely on old and worn-out concepts.

To be held on 13 – 14 June 2023 in London, RLI Connect Global will provide the perfect opportunity for exploration whilst continuing

to connect the world of retail and leisure under one roof.

We invite international & regional investors, owners & developers, retailers, leisure & hospitality operators and franchise partners that are eager to connect with each other to look at new markets for expansion nationally and internationally.

Throughout two days of extensive networking opportunities and pre-arranged meetings, RLI Connect Global will continue to make connections and build those all-important relationships, an integral role for those companies wishing to stay ahead of the curve within the retail and leisure industry. There is one simple objective of RLI Connect Global: to help you do business in a fast changing environment, whilst enabling you to explore new markets and develop new relationships.

The Global RLI Awards 2023 will follow RLI Connect Global on 15 June in London and we can't wait to welcome you to one of the world's retail capitals for two events you cannot afford to miss.
