RLI Connect Foreword

Following the success of the RLI Connect Global event in Riyadh, Saudi Arabia last year, it is my great pleasure to welcome you all to this year's RLI Connect Global event, which continues to be the perfect platform to connect, conduct business and build value through strategic partnerships on a truly global scale.

Having taken place in London, Dubai, Istanbul, LA and more recently Riyadh over the last 10 years, RLI Connect Global has brought together thousands of retail real estate professionals to connect, explore and develop business opportunities worldwide and moving forward it will be essential to continue to collaborate, exchange ideas, explore opportunities and network with industry colleagues.

This year we return to the event's iconic home in London, which for decades has led the way in terms of innovation, fashion and retail trends and it remains a perfect fit with the RLI Connect Global brand, giving a significant opportunity to Connect, Explore and Develop all-important relationships whilst closing those deals.

Continuing their partnership with RLI for the eleventh year, this year's event is in association with Headline Partner Sands Retail, a world leader in the development of integrated resort destinations and a leading player in the Asia-Pacific space with over two million square feet of leased retail space. Investment & Trade Partner, the Department for Business & Trade is the UK's department for economic growth. Its role is to ensure the success of UK based companies in international markets. It also works to encourage international businesses to look to the UK as their global partner of choice. We would like to thank both of these companies for their support in making this event happen.

As we all come to terms with new shared realities, staying connected has never been more prevalent. Change is a constant when it comes to the global retail industry due to the continuing shifts in consumer lifestyles and spending habits. Shopping malls have changed the behaviour of many consumers in the last few years and have shifted from retail stores to multi-purpose destinations that have become part of people's lifestyle.

We have an exciting three days in store for you... First up on Tuesday 13 June is the first day of RLI Connect Global at the Tottenham Hotspur Stadium, a world-class venue where we will offer you a full day of meetings, networking and ample opportunities to create new contacts and progress those all-important deals. The first day will culminate with the VIP Networking Reception in the Lounge from 5pm to 7pm, offering people a unique environment to relax and make new contacts with a drink or two.

Another day of meetings on the 14 June concludes with a VIP Experience at BrewDog Waterloo from 7pm to 9pm, where all delegates are invited to relax, unwind and take stock of the last two days at one of this year's Global RLI Awards Finalists and experience their multi-concept craft beer venue with a range of entertainment.

Finally, on the morning of the 15 June we have organised a Retail Safari. This is directed towards International Delegates, starting with Breakfast at 8am at Frameless, an immersive art experience where we will embark on a journey through the stunning 30,000sq ft venue that features award-winning galleries and showcases some of the world's greatest works of art, located at Marble Arch Place. We will continue at 10am with a visit to Outernet London. Outernet is a global media and entertainment company which creates connected city-centre entertainment districts where music, film, art, gaming and retail experiences come to life in new breath-taking ways. Finally, we will conclude the tour with a visit to Battersea PowerStation at 11:30am, London's most exciting and newest retail and leisure destination. This legendary London landmark and surrounding area has been brought back to life as one of the most exciting and innovative mixed use neighbourhoods in the world. The tour will finish at approximately 1.30pm, for you to either stay and make the most of the destination or, for those that are attending, to leave and get ready for this year's prestigious Global RLI Awards.

RLI Connect Global is once again being held alongside the renowned Global RLI Awards, now in its eighteenth year and continuing to celebrate retail & leisure excellence on a global scale.

I hope you are ready for a successful three days of networking, deal-making and new experiences!
