RLI EVENTS

TWO EVENTS, A WORLD OF EXPERIENCE.

RLI continues to adapt and evolve to meet the rapidly changing needs of the industry.

Following our highly successful events - RLI Connect Global and the Global RLI Awards in Riyadh late 2022 we returned to Riyadh in February 2024, with our dedicated MENA events as the area continues to boost its drive to become a global capital of future economy.

We continued to bring together the world of retail and leisure to connect, explore and develop business opportunities across the region.

RLI Connect MENA, our dedicated deal-making event for the Middle East and North Africa took place between 4-7 February, with those all-important pre-arranged one-to-one meetings on the 5 & 6 February - with one simple objective, to help you do business in a fast-changing environment enabling you to explore new markets and develop new relationships.

Meanwhile, the inaugural RLI MENA Awards took place on the evening of the 7 February and continued to strive for excellence in an industry where the boundaries are always being pushed and now, more than ever, it is essential that we continue to collaborate and recognise achievements and ground-breaking projects across the region.

The inaugural RLI MENA Awards recognised innovation and dynamism across an inspiring industry that continues to adapt and evolve, according to fast-changing market environments.

Where in the world will our Global events take place? In the fall of 2024, we are looking to take RLI Connect Global and the prestigious Global RLI Awards to an all-new destination. A location that has something to offer everyone, with plush hotels, historic hideaways, endless shopping opportunities, trendy nightlife, sunshine and beautiful beaches, it has multiple enticements for all and attracts visitors from around the globe... the magic city, Miami!

RLI EVENTS

RLI CONNECT GLOBAL

Having taken place in London, Dubai, Istanbul, LA and more recently Riyadh over the last 10 years, RLI Connect Global has brought together thousands of retail real estate professionals to connect, explore and develop business opportunities worldwide and moving forward it will be essential to continue to collaborate, exchange ideas, explore opportunities and network with industry colleagues.
